

Drag King & Thing Workshop Application Questions

We are Elliot and Luca aka Brokeback Yorkshire. We are a non-binary drag King duo from Leeds, and have been performing together for 4 years at various drag shows and competitions across the UK.

Due to an obvious need for more diversity within the Northern drag scene. We are delivering these workshops in an effort to make drag more accessible to more marginalised communities.

In these workshops we will cover basic elements of drag and performance, as well as support participants in beginning to create their own unique drag act.

Our plan is to then put on a drag event in the new year and whichever participants wish to will be invited to perform (and be paid for it).

Food and refreshment will be provided at the workshops, along with travel expenses for those that need. There will also be an individual budget for each participant to go towards make-up/costume costs.

There will be priority places given to POC, trans and nonbinary folk, people with disabilities and people on low income.

The workshops will take place in Leeds City Centre on Monday 14th November and Monday 21st November

6pm-9pm
